

**Georgia Institute of Technology  
Archives and Records Management Department  
Appointment of Records Coordinator**

**Department:** \_\_\_\_\_

Georgia Tech units using the Georgia Tech Records Center should designate a staff member as departmental records coordinator. Please use this form to designate a departmental records coordinator.

**Departmental Records Coordinator**

The departmental records coordinator serves as the primary contact for Archives & Records Management staff. He/she is responsible for organizing and coordinating the transfer of records to the Records Center and for managing the retrieval of records from the Record Center.

\_\_\_\_\_  
Name Title

**Authorization to access / retrieve records**

If so desired, departments may also designate additional staff members who are authorized to request retrieval of material. The departmental staff listed below are authorized to access and retrieve records stored in the Records Center.

\_\_\_\_\_
